

WSPSSA Touch football report

Boys

On Monday 20th May eight boys from WSPSSA and two from WPPSSA represented the combined zones at the SE touch football carnival. The boys had trained hard over the previous 8 weeks and it showed early winning the first two games 6-1 and 3-1 over Sutherland/Engadine and Cronulla. There was another impressive win over Georges River/Botany before a loss to eventual undefeated winners Easts/Coastal 3-2. Finally, another win over Souths/Balmain to round out a fantastic day of touch football.

There were multiple comments from referees and other coaches about the talent and more importantly the sportsmanship on display from all the boys.

Four of the eight boys from Western Suburbs were chosen in the Sydney East squad of 24 which will be cut down to a final 14 along with the other two boys from Wiley Park.

Boys chosen were;

Matteo Reupena-Dunn – Strathfield North, Darby Fotheringham – Strathfield North, Ali Ghanem – Strathfield South and Cian McCarten – Croydon.

Both Matteo and Darby are still in Year 4 in 2019 so did extremely well on the day.
