Any rounds cancelled due to weather will be skipped and re-scheduled for later in the season. A revised draw will be issued in the event of wash out rounds.

10 fixtures will complete a round; competitive games will continue until semi-finals week.

Semis and Finals will be played in Term 3 Weeks 4 and 5

All Scores are to be sent to Symone Rovella De Sousa and Hayley Collins by the following Friday at 4:00 pm via email. If scores are not sent before 12:00 pm on the following Monday the team will not receive any points. Students need to be seated if they are spectators. There should be no students walking around or playing e.g. handball, golden child, tips etc. This is for their safety as you will be umpiring.

If your school is running late or there is an issue with buses, please call the school you are versing and let their admin staff know so that they can share the information with their netball coaches. If the school is late, shorten the halves so that the students still get a chance to play.
