

2023 Boys SEPSSA Touch Football Report

On Wednesday 8th March, the Western Suburbs/ Inner West / Wiley Park boys touch football team had an incredible day in very hot conditions.

Some terrific teamwork and expert play helped the boys start with a bang, crushing to a comfortable 9-1 win. Strong play from Christian and Brax set up the game early.

In the second game the boys started off on fire. Scoring quick tries to set up an early lead. Strong leadership around the ground by Charlie and Isaac and some fantastic defensive work by Jade and Johnny helped the boys to a strong 5 - 1 win.

Next up was Balmain zone. The heat was starting to take its effect on the team in this back and forth battle. Some quick feet by Hunter and great defensive work from Isaac kept us in the game. A late try to Charlie ensured a thrilling 3 all draw

Our second last game was against East Coastal and boys lifted for this must win game, knowing a win would set them up for a top of the table clash next game. Some dominant ball running and defensive work from Cooper set the boys up for a comfortable 8-1 win.

The final game was against the undefeated Cronulla team. The winner of this top of table match would be the winners of the gala day. In a tense back and forth struggle our strong teamwork kept us in the game. Some brilliant finishing by Charlie and Christian kept the scores tied at 2 at half time. With fatigue setting in and injury effecting the team, the boys hung on bravely to a very dominant Cronulla team. 2 late tries to Cronulla saw the boys go down 4-2 in what was described as classic battle.

Congratulations to all involved and to the support of parents and school convenors to enable these opportunities for the boys. Special congratulations to Charlie, Isaac and Christian for making the Sydney East squad.

Matt Robinson
Wiley Park PSSA President
