

2022 Rugby League Report

On Monday 2nd May the Western Suburbs/Wiley Park/Inner West Boys Touch Football team competed at the Sydney East carnival. The best players from the 189 schools in the region would all be attending.

It was an interesting year for rugby league due to the wet weather. Our zone trials were delayed twice and the SE carnival was postponed halfway through the day. Finally we found out on Thursday afternoon that the day had been moved from Tuesday at Maroubra to Monday and Caringbah and parents were no longer able to attend.

Despite the late changes, all students that were selected in the team were dropped off and picked up on time which is a credit to their parents and to the schools for communicating the information.

Our first game was against the dragons. We started very strongly and found ourselves with an early lead thanks to two tries to Levaughn. Jamal scored a third from fullback and Levaughn scored another full field try to finish the game 4 tries to 1 winners.

Our second game against the hammerheads was our worst of the day. We looked like a team that hadn't trained together and lost 4 tries to 2. Both tries were scored by Levaughn.

Our final game was against the roosters. Everyone played much better than the previous game but unfortunately they were too good with the final score being 4 tries to 2. Levaughn and Isaac were the try scorers.

Congratulations to Levaughn (Belmore South) and Christian (Mortlake) for making the Sydney East team which will compete at the state carnival in Parkes later this term.
