REGIONAL CROSS COUNTRY REPORT 2016

The Sydney East Cross Country carnival was held on Friday June 17 at Miranda Park, Miranda under a cloudy and rain laden sky. The temperature was great for long distance running but not so good for being a team manager!! The course is tough and the standard was a huge leap from zone level. There were some amazing athletes running on the day and just to make this level is in itself a wonderful achievement.

Western Suburbs PSSA will be represented by 7 athletes NSW Championships to be held on July 22 at Eastern Creek (number in brackets indicates finishing position at Region):
