

Athletics Carnival Results 2007

Thanks everyone for your great work on Thursday 23rd and Thursday 30th August.

Wet weather on Day 1 meant that some events had to be postponed until Day 2. We all seemed to deal with the changes to the program very well. Your work and your school's cooperation in sending officials and team managers is very much appreciated. Thank you to those officials who were asked to perform different tasks to the ones they had expected.

Day 1 managed to get underway before 11am which meant that everything was progressing well until showers delayed events, followed by more substantial rain which really put a dampener on proceedings – High Jump was especially affected. Amended qualifying distances for Field Events allowed more entrants from many schools. Thanks to Don Readett for providing morning tea on Day 1.

Day 2 seemed like a whole season away from Day 1 – sunny skies and temperatures in the mid 20s had everyone seeking some shade rather than struggling with their umbrellas. The day ran smoothly and even though the first race didn't commence until 9:25 am all events were completed by around 2:30pm.

Sophia Nurse broke the old 12/13 Girls Long Jump record.

All the children who were given a REGIONAL note at the carnival should return them to their own school. If a child has qualified for the Regional Team but does not have the permission note it is available on the WSPSSA intranet site. **Andrew Erickson – Team Manager (Dobroyd Point PS)** will see all the competitors on Tuesday 18 September at the Sydney Olympic Park Athletics Centre, Homebush. First Marshalling call 8.30am.
